*The hot tub spa is a special treat! as you sit in the
HUGE tub you are in a room surrounded by 1000s of
glow-in-the-dark fish. It is a really romantic and fun place.
Soft music fills the room and we can even arrange a massage
if you would like.

** If you are looking for a little more action we have a rubber surfaced Badminton court ready for day and night use.

All you need bring is your non-marking runners. We also have a volleyball so you can set up a game.

There are boules, croquet and darts for your enjoyment.

We have 2 mountain bikes that you are welcome to ride when exploring the area , and Tamworth has an excellent cycle and walking track that runs along the river,

a great de-stresser.
